**Dear Parent or Helper,**

This project record form is designed to help a young child record and recognize their accomplishment through the Pittsylvania – Caswell Livestock Show and Sale. Any help that a child receives from an adult is a very positive addition to the project and the project record form as long as the child is encouraged to do as much as possible themselves. If needed, the writing can be dictated to the helper. If more space is needed, add extra sheets of paper. Good luck!
